CHOOSE FROM AN INTENSE 4 OZ. BREW ALL THE WAY UP TO A MILD 10 OZ.

### 4 oz. Brew

Our strongest profile - perfect for those who desire iced coffee. Or if you drink espresso out of the office, try a Bold or Dark Roast K-Cup.

### 6 oz. Brew

The next strongest profile compared to our regular brew strength. Try an Extra Bold K-Cup, deliciously designed to provide a slightly stronger and more robust taste profile.

### 8 oz. Brew

Our regular brew size. From an exquisitely balanced Breakfast Blend to a flavorful Hazelnut, it produces a consistently delicious cup of gourmet coffee or tea.

### 10 oz. Brew

Provides our mildest coffee and fills your travel mug. When selected with favorites such as French Roast, it delivers a bold, big cup.
